Gas Pendant 4 Modell A-6

The Gas Pendant 4 light is a true-to-original reconstruction of the A-6 model. This lamp provides excellent illumination with a highly brilliant and natural color rendition. The golden yellow lighting makes the surroundings appear alive and natural. High-quality materials guarantee their longevity. The lamp is very easy to maintain due to a hinged maintenance opening and a hinged glass bell.

This luminaire is suitable is ideal for illuminating squares, streets, residential areas, green areas, and driveways due to its rotational symmetrical light distribution.

Data Sheet:

GAS-Pendant Type_ A-6
