

**09.11. - 12.11.21 | Inter Airport Europe 2021**

**SAVE THE DATE**

**Visit our team from 09.11.2021 - 12.11.2021 at the trade fair „Inter Airport Europe 2021“ in Munich!**

The 23rd International Trade Fair for Airport Equipment, Technology, Design & Service starts at the beginning of November under the motto „Runway to Recovery“. Worldwide, it is considered the leading trade fair for the airport industry and convinces in the areas of technology, service and architecture.

The motivated team of BRAUN welcomes you in hall B5 at booth 1054. As a specialist for innovative and sustainable indoor and outdoor lighting we put special focus on our high performance [industrial lighting](#). From the retrofitting of outdated luminaires to the latest LED technology, to the re-equipping of complex industrial facilities – our lighting concepts are always designed for the optimal illumination of various large areas.

Simply better light for terminal, hangar and apron.

**Feel free to contact our technical consultants at our booth!**

You will find us here on all four days of the Munich trade fair [Inter Airport Europe 2021](#). At any time, one of our colleagues will be available to answer your questions.

Get to know us and our [lighting solutions](#) and see for yourself.
