

02.10. - 06.10.2022 | Light + Building Autumn Edition 2022

SAVE THE DATE

Visit our team from 02.10.2022 - 06.10.2022 at the trade fair „Light + Building Autumn Edition“ in Frankfurt am Main!

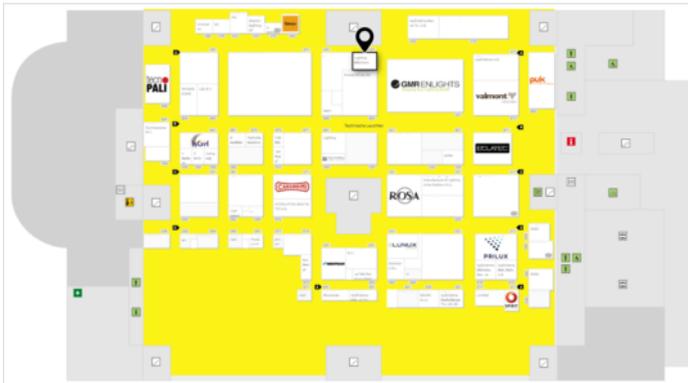

The Light + Building Autumn Edition will take place from 02 to 06 October 2022 in Frankfurt am Main. Here, interesting topics such as networked solutions, forward-looking technologies and current design trends will be addressed. Over 1,500 exhibitors will present their new innovations in lighting, electrical engineering, home and building automation, and networked security technology.

The motivated team of BRAUN welcomes you in **hall 4.0** at **booth A51**. As a specialist for innovative and sustainable indoor and outdoor lighting, we put special focus on our high-performance [solar lighting](#).

Feel free to contact our expert advisors at our booth! You will find us here on all days of the [Light + Building](#) trade fair. At any time one of our colleagues will be available to answer your questions.

Get to know us and our [lighting solutions](#) and see for yourself.
