

# His.lux<sup>®</sup> LED Top Light

BRAUN LIGHTING SOLUTIONS / Street Lighting

## LED Top light for lighting systems, for homogeneous illumination of lighting fixtures

### Technical description:

- LED top light for homogeneous illumination the interior of the luminaire
- Ideally suited for retrofitting existing systems
- Easy installation due to M8 thread
- Light distribution hemispherical
- Light color freely selectable

LED Top Light	350mA	700mA
Power in watts	1	2
Dimmable	●	●
Light color typical *other light colors on request	LED Flux	LED Flux
2700K	85lm	156lm
3000K	81lm	145lm
4000K	130lm	230lm
5700K	135lm	235lm

### Technical Data:

LED Lifetime.....>50K Hours (L70)  
 Optical Lens.....Ultra Wide Bubble Optic  
 Light distribution.....180° Hemispherical  
 Connection cable.....2-adrig, L=330mm

LED Top Light.....Ø60x35mm  
 Aluminum heat sink .....Anodized  
 Color.....Black (Standard)  
 Weight.....ca. 0,3Kg
